The Community Advisory Committee (CAC) serves in an advisory capacity to the Special Education Local Plan Area (SELPA). Our goal is to raise community awareness about the needs of students and their families regarding Special Education Programs; to actively review the Local Plan for Special Education; and to provide a forum that facilitates parent communication with other parents and with the school district. The CAC shall provide information, training, and resources to help ensure that quality programs educate the student with special needs in mind, body, and spirit.
